

Securities and Exchange Commission

§ 240.14a-16

proxy statement for purposes of the Act.

[52 FR 21936, June 10, 1987, as amended at 73 FR 17814, Apr. 1, 2008]

§ 240.14a-15 Differential and contingent compensation in connection with roll-up transactions.

(a) It shall be unlawful for any person to receive compensation for soliciting proxies, consents, or authorizations directly from security holders in connection with a roll-up transaction as provided in paragraph (b) of this section, if the compensation is:

(1) Based on whether the solicited proxy, consent, or authorization either approves or disapproves the proposed roll-up transaction; or

(2) Contingent on the approval, disapproval, or completion of the roll-up transaction.

(b) This section is applicable to a roll-up transaction as defined in Item 901(c) of Regulation S-K (§ 229.901(c) of this chapter), except for a transaction involving only:

(1) Finite-life entities that are not limited partnerships;

(2) Partnerships whose investors will receive new securities or securities in another entity that are not reported under a transaction reporting plan declared effective before December 17, 1993 by the Commission under section 11A of the Act (15 U.S.C. 78k-1); or

(3) Partnerships whose investors' securities are reported under a transaction reporting plan declared effective before December 17, 1993 by the Commission under section 11A of the Act (15 U.S.C. 78k-1).

[59 FR 63684, Dec. 8, 1994]

§ 240.14a-16 Internet availability of proxy materials.

(a)(1) A registrant shall furnish a proxy statement pursuant to § 240.14a-3(a), or an annual report to security holders pursuant to § 240.14a-3(b), to a security holder by sending the security holder a Notice of Internet Availability of Proxy Materials, as described in this section, 40 calendar days or more prior to the security holder meeting date, or if no meeting is to be held, 40 calendar days or more prior to the date the votes, consents or authorizations may be used to effect the corporate action,

and complying with all other requirements of this section.

(2) Unless the registrant chooses to follow the full set delivery option set forth in paragraph (n) of this section, it must provide the record holder or respondent bank with all information listed in paragraph (d) of this section in sufficient time for the record holder or respondent bank to prepare, print and send a Notice of Internet Availability of Proxy Materials to beneficial owners at least 40 calendar days before the meeting date.

(b)(1) All materials identified in the Notice of Internet Availability of Proxy Materials must be publicly accessible, free of charge, at the Web site address specified in the notice on or before the time that the notice is sent to the security holder and such materials must remain available on that Web site through the conclusion of the meeting of security holders.

(2) All additional soliciting materials sent to security holders or made public after the Notice of Internet Availability of Proxy Materials has been sent must be made publicly accessible at the specified Web site address no later than the day on which such materials are first sent to security holders or made public.

(3) The Web site address relied upon for compliance under this section may not be the address of the Commission's electronic filing system.

(4) The registrant must provide security holders with a means to execute a proxy as of the time the Notice of Internet Availability of Proxy Materials is first sent to security holders.

(c) The materials must be presented on the Web site in a format, or formats, convenient for both reading online and printing on paper.

(d) The Notice of Internet Availability of Proxy Materials must contain the following:

(1) A prominent legend in bold-face type that states "Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting To Be Held on [insert meeting date]";

(2) An indication that the communication is not a form for voting and presents only an overview of the more complete proxy materials, which contain important information and are
